United Solo Theatre Festival presents One Night With You, performed by Leandra Ramm. Starring in a new Lifetime series "My Life is a Lifetime Movie" and with her new book "Stalking a Diva" due out this fall, Leandra Ramm tells her amazing life story in an unforgettable one night engagement. The show focuses on the chilling cyber stalking experience that left her feeling imprisoned and helpless without protection from the U.S. legal system. Despite seemingly insurmountable obstacles, Leandra's perseverance and determination led her to eventually win her legal case. Beginning with her unique origins from "The Genius Sperm Bank", followed by her world traveling adventures, Leandra's life has been nothing short of exciting. One Night With You was written by Dagmar Spain and will be directed by Andrew Lonsdale.

Leandra's amazing life story will also be featured in Lifetime's "My Life is a Lifetime Movie," an original hybrid unscripted series focusing on people who could have been the subject of one of its trademark telefilms. The series will feature re-creations and interviews with women who recount their experiences that are said to be so unbelievable that they must be true. Leandra's story will be aired on November 28, 10pm EST.

One Night With You will be performed at The Beckett Theatre at Theatre Row tonight, November 11 at 6:00pm. Tickets are \$18 and are available at the Theatre Row Box Office and online through Telecharge at www.telecharge.com. Tickets can also be purchased by calling Telecharge at 212-239-6200.

Leandra Ramm is a versatile singer and actress with an "extraordinary voice" (Anderson Cooper). Leandra has performed at Carnegie Hall, Lincoln Center, Symphony Space, La MaMa, and 59E59 Theaters among other venues. In addition to being a lead vocalist on Celebrity Cruises, Leandra has performed with numerous theater and opera companies throughout the world. Her favorite roles performed include: The Full Monty (Estelle) at The Media Theatre, Iolanthe (Leila) at The Buxton Opera House (UK), Mario and The Magician (Silvestra) with Center for Contemporary Opera, Man of la Mancha (Antonia) with Diablo Theater Company and The Endless Road by Kurt Weill (soloist) with The American Symphony Orchestra. Leandra has appeared on numerous television shows including Anderson Cooper

360 on CNN, The View, 60 Minutes, and Good Morning America. She will star in "My Life Is A Lifetime Movie" which premieres on Lifetime Television on October 17th at 10pm EST. She has also released many albums all available on iTunes, Amazon and www.cdbaby.com. Leandra is the co-author of her exciting new book, "Stalking A Diva" which is soon to be released.

United Solo Theatre Festival is an annual international festival for solo performances held in New York City. Through a diverse range of one-person shows, we explore and celebrate the uniqueness of the individual. From openly solicited submissions, we stage the most intriguing productions at the highly acclaimed Theatre ROW in the heart of the New York City theatre district on 42nd Street. Highly experienced performers and untried new talents have opportunities in many categories (e.g. storytelling, puppetry, dance, multimedia, improv, stand-up, magic, drama: tragedy or comedy). The artists also benefit from being presented by United Solo, a company made up of artists and producers with vast experience in solo performance. For more information, www.unitedsolo.org.
