Greetings!

I want to thank you so much for all of your support as I play the lead role of **Hester Prynne** in the musical [A for Adultery at The Little Times Square Theater!](#) The show has been a great success! We have one more weekend of shows: five performances left! Thank you so much to all of you who have already come. I love playing this role because the story (based on the famous novel 'The Scarlet Letter') is so moving. My best friend who saw it said it actually changed her life. As a performer, that is the greatest gift I can give to someone: moving their heart and touching them with the gift of love. Below is all the information. I would be so happy if you can come. Hope to see you there! Please scroll down for more info!

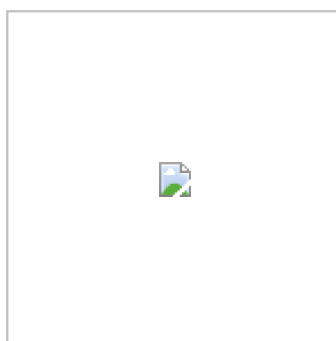

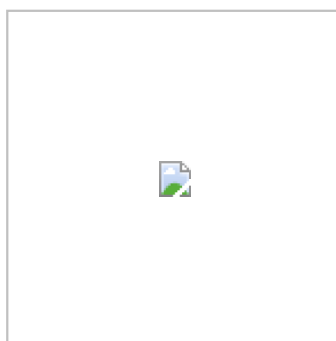

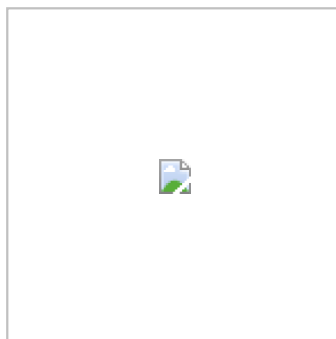

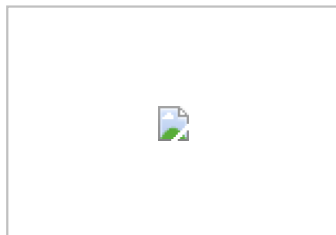

I am excited to share my news with you in 2012 and update you on what I'm doing. Please forward this newsletter to your friends and colleagues and tell them to [sign up too!](#) Also, please stay in touch by emailing me at Leandra@LeandraRamm.com and scroll down to read more.

xoxo,

Leandra
