[How The Law Is Standing Up to Cyberstalking](#)

I am the center of a wonderful article about cyberstalking in [NEWSWEEK](#) that has come out today! Please read the article [HERE](#)

Newsweek author, Katharine Quarmby, speaks more about the issue on her blog: [HERE](#)

Thank you to D Rocca for documenting my entire story in my book [Stalking A Diva](#). I'm grateful to be a survivor and proud to be an advocate for change. With my non-profit organization [The Alliance Against Cybercrime](#) we are pathing a road to change. Our next big event is speaking at the [Council of International Investigators](#) 60th Annual General Meeting in September, taking place in San Francisco.

I hope you enjoy the [NEWSWEEK](#) article!
