**AUDIO AND VIDEO**

Greetings!

Long time no talk...just kidding! I know I sent you a newsletter yesterday, but I have to let you know that the two shows that I was scheduled to perform in **TONIGHT** and **AUGUST 8th** of **702 PUNCHLINES AND PREGNANT** have unfortunately been **CANCELLED**. In case you were planning on coming to the Broadway Comedy Club tonight or on August 8th, please do not come as there will be **NO SHOW!**

I normally only send out a newsletter once a month, so don't worry, you won't hear from me daily or weekly. Since I needed to send this out however, why not make use of the opportunity!? Below is more detailed information about my other exciting performances coming up in August that I hope you can come to! All the specifics are below. With my birthday coming up this Friday, I really feel grateful for everyone in my life. I really appreciate your support and thank you so much for being apart of my life and career!

xoxo,

Leandra

I will be performing a hilarious 15 minute set of great songs! This is a wonderful opportunity for me to sing songs I love in a cabaret setting. This entertaining evening, presented by Fred Coscia and Michael Martinez, will be hosted by Angela Corcia and features the talents of Tara Bruno, Briana Davis, Michelle Guadalupe, Joanna Schubert and myself and Brad Ross on piano. I really hope you can come to this cabaret!

## SAHARAVA

I will be performing in this beautiful ritualized dance–opera, Saharava, at the [New York International Fringe Festival](#). I am proud to be one of the singers of this production and I am also

playing the alto flute!

This amazing production will be performed at **THEATRE 80 at 80 Saint Marks Place in downtown Manhattan.**

There are five performances:

August 10th, Friday – 5:00pm

August 12th, Sunday – 1:00pm

August 14th, Tuesday – 2:30pm

August 15th, Wednesday – 7:45pm

August 24th, Friday – 7:15pm

This live theatrical work combines contemporary dance and wordless song in a visceral and raw transformative ritual based on the structure of the Major Arcana in the tarot deck of cards. These 22 cards of the Tarot begin with card 0, the Fool, and tell the story of the Fool's journey from ignorance to understanding.

SAHARAVA was created as a collaboration between composer Fahad Siadat and choreographer Andre Megerdichian as a joint master's thesis at the

California Institute of the Arts in Los Angeles as a boundary crossing collaboration between genres. Working with the obvious intersection of dance and music, SAHARAVA expands the role of individual performers by sharing the responsibility of the movement work and narrative duties typically divided between dancers and singers of opera and instead relies on vocalists to provide the structural framework of the piece while dancers tell the narrative through movement.
