I just finished up a contract as a lead production singer and vocal captain on Celebrity Cruises! Please read my latest press release on my contract and return to New York City here: [Leandra's February Press Release](#).

This is my third contract with the company and I had an amazing time again seeing some of the most beautiful places in the world and performing on a gorgeous stage. I began my contract on May 15th, 2011 as I flew to Rome, Italy. I cruised in Italy, Greece, and Turkey for 6 months and then this past November the ship did a transatlantic cruise back to America. The last two months of my contract I sailed through the Caribbean in places such as Honduras, Costa Rica and Mexico. While onboard, I performed three production shows, 'Limelight: The Broadway Dream', 'Remix' and 'Equinox the Show'.

New Projects

Now that I am finished cruising, I am heading back home to NYC! I recently became a member of Actor's Equity Association (AEA). I am also a proud member of AGMA and AFTRA (and will be a member of the new SAG-AFTRA when the union's merge). I am very excited to start auditioning again for New York theater and television.

In other big news, my website got a facelift! I am very proud the new site. Please take a look:
